Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 08 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers moving north overnight. Thundery showers on Thursday.

This Evening and Tonight:
Scattered cloud developing during the evening, gradually thickening up overnight with showers in the early hours of the morning. Temperatures will remain rather warm and muggy. Minimum temperature 16 deg C (61 deg F).

Thursday:
Showers clearing in the morning, then further showers for the afternoon. These showers may be heavy and thundery at times, continuing until late evening. Less warm in the west. Maximum temperature 25 deg C (77 deg F).

Outlook for Friday to Sunday:
Scattered showers with a low risk of thunder on Friday. Drier on Saturday with sunny spells. Turning cloudy overnight and persisting on Sunday with isolated light showers. Temperatures near normal.
